

Club Fundraising and Sales Promotion Form

Clubs are encouraged to participate in selling items at conference. This is a good opportunity to share fundraising ideas with other clubs.

Clubs cannot have a raffle during the conference.

A Region raffle will be held to raise money for the Federation Fund Development Council. Money from this fund pays for the Women's Opportunity and Violet Richardson Awards. All items displaying the Soroptimist emblem are to be pre-approved by Governor Joan

If you wish to take part in this fundraising activity, return this form and check so that the conference committee can plan the space effectively. There will be time for selling on Saturday before and after the day's events and early Sunday morning. Tables will be closed prior to the start of the Sunday session. The fee covers the amount charged by the hotel for the table set up.
