This location was chosen because it is the site of the *Connecticut Race in the Park.* There are many walkways in Walnut Hill Park but none more beautiful than the *Walk of Life*. The 780 foot brick walkway is a commemoration to breast cancer victims, survivors and their families. Some simply reveal a name, others a message. So far, the northeastern region of Soroptimist International has contributed $50,000 to breast cancer research and programs. When the walkway is completed, the northeastern region will have contributed $200,000.

All proceeds from this project will be directed to the *CT Breast Health Initiative*.
