

Club Fundraising and Sales Promotion

Clubs are encouraged to participate in selling items at conference. This is a good opportunity to share fundraising ideas with other clubs. Remember that all items, especially those displaying the Soroptimist emblem, are to be pre-approved by Governor Heidi.

If you wish to take part in this fundraising activity, return this form and check so that the conference committee can plan the space effectively. There will be time for selling on Friday afternoon, Friday evening after the evening events have been completed, Saturday before and after the days events and early Sunday morning.

Tables will be closed prior to the start of the Sunday session.
